

Memor-Ease Storage™

An Innovative, One of A Kind Storage Solution

Meeting the Unique Storage Needs of Parents, Homeowners, Scrapbookers, Teachers, etc...

Each Memor-Ease Storage Box Offers These Distinctive Features:

- Removable 13" X 18" tabbed segments

- Each segment includes a transparent 10" X 13" envelope containing two smaller inside pockets

- Waterproof and Crush Resistant Exterior

Parents and Grandparents The answer to storing children's mementos is here!

Finally, the storage product every parent and grandparent has been waiting for! Until now, no product has offered a storage container to hold all of the multiple-sized mementos kids bring home from school every year in an organized manner. Each of the segments within the Memor-Ease Storage Box contains an envelope with pockets and will safely hold everything from the 11" X 17" pre-schooler's paintings, to their wallet-sized photos, report cards, award's certificates and prized essays.

Scrapbook Enthusiasts, Teachers, Homeowners, Accountants, Lawyers... A one-of-a-kind storage alternative

Never before has one product offered such a variety of transportable, organized storage options. Memor-Ease Storage offers convenient, secure, multiple-sized and classified segments for storing pictures, annual tax returns, legal briefs, mementos and important documents.
